Upcoming Negotiations:

With bargaining to begin with most of our contracts in the spring expect to see surveys to assist the teams with proposal packages for negotiations.

When approaching bargaining, are you prepared? Can you survive a work stoppage should it happen? There's a saying at the bottom of page 2 that a lot of people overlook.

Most of our contracts have language for Stewards to have meetings at work. Collect your stewards together and discuss the issues you may have in your respective areas. Submit a report of your discussions to ll99executive@iamaw99.ca Contact us ahead of your meeting if you think there will be expenses.
